EASTER BLESSINGS

JESUS HAS RISEN!!

ALLELUIA!!

APRIL 16 NOON ORIENTATION CLASS BEGINS

1:30 FRATERNITY GATHERING

When all of the mysteries were fulfilled in him and that most holy soul was released from the flesh and absorbed into the abyss of the divine light, Francis fell asleep in the Lord. One of his brothers...saw that blessed soul under the appearance of a radiant star carried up on a shining cloud to be borne aloft straight to heaven over many waters, as if shining with the brightness of sublime sanctity, and filled with the abundance of heavenly wisdom and grace, by which the holy man merited to enter the place of light and peace where he rests with Christ forever. (Bonaventure, The Major Legends of Saint Francis)

Sisters and Brothers,

Happy Easter!! Our Lenten journey is complete and we begin our Easter season. "The economy of salvation is at work and fulfilled in the Passover of Jesus and the outpouring of the Holy Spirit, the culmination of history is anticipated "as a foretaste," and the kingdom of God enters into our time." (CCC1168) The humility of our God to allow us to share in his divinity. Praise God for the Incarnation!! Lord. All praise is yours, all glory, all honor, all glory and all blessings are yours. To you Most High do they belong, and no mortal lips are worthy to pronounce your name. Amen

Easter Fun Fact: "At the Council of Nicaea in 325, all the Churches agreed that Easter, the Christian Passover, should be celebrated on the Sunday following the first full moon (14 Nisan – biblical day of preparation before the Passover meal) after the vernal equinox. Because of different methods of calculating the 14th day of the month of Nisan, the date of Easter in the Western and Eastern Churches is not always the same. For this reason, the Churches are currently seeking an agreement in order once again to celebrate the day of the Lord's Resurrection on a common date." (CCC1170)

Congratulations to Steve Wasko and Suzanne/Our Lady Gate of Heaven Catholic Parish, Detroit. *Sacred Spaces Clean Energy Grant Awarded*

Our brother Steve led this effort with the St. Suzanne/Our Lady Gate of Heaven Community. They were awarded the ***Sacred Spaces Clean Energy Grant***. This is fantastic news!! Hats off to all who made this happen. No small feat!

General Fund or Fair Share Contributions

Our Rule #25 states: *“Regarding the expenses necessary for the life of the fraternity and the needs of worship of the apostolate, and of charity, all the brothers and sisters should offer a contribution according to their means. Local fraternities should contribute toward the expenses of the higher fraternity councils.”*

- General Fund or Fair Share** are used interchangeably to describe the brothers and sisters, monthly fraternity contribution given freely according to their means. These are NOT “dues” and are not called such. We rely on the monthly Fair Share contributions for the fraternity’s operating expenses and apostolates.
- At the end of each calendar year, we are responsible for contributing to the **Regional Fraternity’s Fair Share**. At present each local fraternity in our region pays \$52.00 per person annually to the Region. This includes candidates, active and permanently excused members. (Our 2022 annual Fair Share Amount to the Region was 92 members * 52.00 = \$4,784.00) From the Region’s Fair Share, they send an annual Fair Share contribution to the Secular Franciscan Order – USA.
- Candidates, active members and permanently excused members are asked to contribute to the Fair Share. This includes both the annual Fair Share to the Region and our monthly gatherings.

Your Fair Share contributions are important to the life of the fraternity. Each contribution is a gift and blessing. I am grateful for each of you and the sacrifices you make for our fraternity. Your charitable hearts continue to shine brightly.

This month's Reflection is from the Father and Head of the Ukrainian Greek Catholic Church. We lift our hearts in solidarity with those suffering from war and oppression especially our brothers and sisters in the Ukraine.

"With great power the apostles continued to testify to the resurrection of the Lord Jesus. And God's grace was so powerfully at work in them all." Acts 4:33

As faithful Franciscans we continue to respond to God's grace by allowing him to use us as his instruments. Give graciously to all those you meet. Let us continue toward resurrection.

Peace and Blessings,

Eileen

REFLECTION

The following excerpt is from an interview with the Father and head of the Ukrainian Greek Catholic Church, His Beatitude Sviatoslav, speaks about the nearly 400 days of Ukrainian Lent in an interview with the Croatian Catholic edition “Glas Koncila” from wounded Ukraine.

“The Lord is passing through Ukraine. His presence changes history”: interview with His Beatitude Sviatoslav for the Croatian “Glas Koncila”

In the mystery of Lent, how do you view the current situation in Ukraine?

Let me share some spiritual reflections arising from the war. Where is God when we are killed each day? As Christians we have a unique answer. We have an image of our Savior, our Lord Jesus Christ who became man. We can confess that, among those killed in the mass graves, our Lord Jesus Christ was killed. When venerating those bodies, I was venerating my Lord who is willing to accept our pain during war. Each day we have to pay our homage to human suffering, to the wounds of the people. And I’m not ashamed of the wounds because those wounds are the wounds of Jesus Christ. He is wounded amidst us. Where is God? He is among those who have to leave their homes, He Himself is becoming homeless with those families who are now considered as internally displaced people or refugees. Serving them, we pay service, homage, respect, we celebrate our honoring Jesus Christ in his pain, in his wounds among Ukrainian people. This is why I have to say that, even the social action of the Church is based on our vision of God’s presence among us. Today, especially in the time of Great Lent, we are honoring the crucified Lord. We are venerating his sufferings for the sake of humanity. Yet, I must say that, today, Christ is crucified in the body of crucified Ukraine.

Thank you for the testimony that disaster gives rise to the awareness that all trust is in God’s hands. So, could you say that feeling is shared also with your believers?

Absolutely. We as Christians believe that Paschal mystery is not completed at the moment of the crucifixion. We have to continue toward resurrection. If we are crucified with Christ, we will rise with him. So, we do have a hope in Ukraine in the midst of war because we do believe in resurrection. We do believe in the Risen Christ, and Pascha means that the Lord is walking through Ukraine, He is walking among us, He is walking with us and His presence changes history. That is our 3/21/23, 1:25 PM “The Lord is passing through Ukraine. His presence changes history”: interview with His Beatitude Sviatoslav for the Croatian “Gla... <https://ugcc.ua/en/data/the-lord-is-passing-through-ukraine-his-presence-changes-history-interview-with-his-beatitude-sviatoslav-for-the-croatian-glas-...> 3/6 Paschal pilgrimage which we began a year ago. Many people in Ukraine would say that we have been going through Great Lent not just for 40 days but more than a year. Perhaps it is a mere coincidence that, last year, the full-scale war began at the beginning of the Great Lent. We still have the feeling that we are moving toward the joy of resurrection. We do have this hope because we are the nation that believes in Risen Lord.
